

INSTRUCTIONS--MEDICARE'S PLAN FINDER

- a. Go to www.Medicare.gov (Click on the first green button – Find Health & Drug Plans)
- b. Enter your zip code (use zip code where pharmacy is located) and click on “Find Plans”
- c. Click on oval for “Original Medicare” then below it click “I Don’t Get Extra Help” (if you do not) -- then click on “Continue to Plan Results.”
- d. Enter your prescriptions (website will prompt you on dosages, if a generic available, etc.)
- e. When done, click on “My Drug List is Complete.”
- f. Select your desired pharmacy then click continue.
- g. If comparing Standalone Part D Rx plans, check the first option only – “Prescription Drug Plans (with original Medicare)” then click on “Continue to Plan Results”.
- h. Next page gives you the plan results. On the left side of each plan listed, this column summarizes your “Annual” cost for each plan, and this number INCLUDES the plan premium for the entire year. Also note the “Overall Star Rating” of plan.
- i. You can click on each plan to obtain details.
